

# RETHINK, REBUILD, REBOUND

*Virtual keynotes and workshops*

*with Nigel Barlow*

*We are not through the storm yet, but it's soon time to raise peoples' eyes to a new beginning for their business. These highly interactive sessions have the dual benefit of instilling hope and a belief in the future and focussing creative attention on what it takes to rethink and rebuild an enterprise as we emerge from a global crisis. The vehicle is finding the answers to your unique new challenges, addressing the 'beautiful questions' that will help you rebound strongly from uncertain times. It's the 3 R's of survival and success.*

## RETHINK

- \*Disruption and the near Future
- \*True Beginner's Mind
- \*Possibility Thinking
- \*Mindset for Success
- \*7 ways to reframe the crisis
- \*Applications to our unique 'beautiful question' – how this can help us invent our future.

## REBUILD

- \*Hope and Belief- beyond positive thinking
- \*Customer Confidence
- \*Trust and Relationships
- \*Virtually Everything
- \*New Skills and Talents: deeper understanding of our strengths and weaknesses.

## REBOUND

- \*Innovation: new energy and new clients
- \*Painting a picture of what rebound means to us
- \*Writing our story of the future
- \*Resilience and stability
- \*Celebrating and enjoying.

*STYLE of Sessions: Dynamic, interactive and tailored to your culture, business model, and real challenges. Attention spans are shorter online, so inputs are gauged and tailored accordingly.*
